Appropriate Title of Your Submission

Corresponding Author

Address, Town, State, Zip code, Country, CorrespondingAuthor@email.com

You should replace this sentence with your abstract that quickly summarizes your approach and findings.

1. Introduction

In the introduction, you should include an overview of the approach. Throughout the document include citations as appropriate. As an example, include citations of the form: (BSS, 2023) or BSS (2023). Included figures and tables should be labeled and captioned with a short description.

2. Methodology

Present the methodology of your approach. Charts, diagrams or other visualizations constructed from analyzing data may be useful to communicate your thoughts and possible approaches. Subsections are allowed. One piece of evidence can be any numerical results you have.

2.1. Results

One piece of evidence can be any numerical results you have that justify your methodology.

3. Conclusion

Provide a summary of key findings.

4. Team Members

List all team members associated with the submission, including the corresponding author. A team's solution should be submitted once (as opposed to each member of the team submitting the same solution individually).

- Team Member 1 (a.k.a. Corresponding Author), Affiliation and address, TM1@email.com
- Team Member 2, Affiliation and address, TM2@email.com
